

COC Electrical Certificate of Compliance for Residential & Commercial

Our COC Electrical Certificate of Compliance service ensures the safety and compliance of your electrical installations in residential and commercial properties. For a 3-bedroom house, the COC is offered at a fixed rate of R2500, which includes the site visit. However, for residential houses exceeding 3 bedrooms and all commercial properties, a separate site visit is required to provide an accurate quote.

Terms and Conditions:

1. Quotation Process:

- A call-out fee of R750 is applicable for both residential and commercial properties to facilitate the quote process.
- The call-out fee must be paid upfront.
- Upon acceptance of the quote, the call-out fee will be voided.
- The client has 7 days from the quote sent to accept or reject the quote.

2. Site Visits:

- Site visits for 3-bedroom residential properties are included in the R2500 package.
- Residential houses with more than 3 bedrooms and all commercial properties require a separate site visit for accurate quoting.

3. Payment and Deduction:

- The call-out fee will be deducted from the final quoted amount once the quote is accepted.
- Payment for the call-out fee is a prerequisite for initiating the quote process.
- If the COC cannot be issued due to non-compliance with electrical standards, the customer will be charged a call-out fee and labor costs of R550 (excluding VAT).

Our COC Electrical Certificate of Compliance service ensures transparency, accuracy, and compliance with safety standards. Contact us to schedule a site visit and secure your property's electrical certification.
